NEW ITEMS

1. IRAC Meeting

Arrangements being made and agenda being developed for IRAC meeting 6 March. DIA and NSA Directors will be invited to participate as observers. Action Officer: MPRRG/ [REDACTED]

2. Comparative Analysis of KIQs and CNTDIOs

An initial evaluation of the relationship between KIQs and CNTDIOs has been made in support of a more in-depth evaluation being conducted by [REDACTED]. The evaluation which is related to the KEP shows there is much apparent overlap between the KIQs and CNTDIOs, especially in Soviet military and political subjects. Action Officer: MPRRG/ [REDACTED]

3. CIRIS Resource Data Applied to DCID 1/2

CIRIS resources and manpower have been spread over DCID 1/2 countries and objectives. Further studies will spread resources and manpower over country/subject categories and relate results to priority numbers. Action Officer: MPRRG/ [REDACTED]

4. ASD(I) Supplemental Program Guidance

As was done last year, ASD(I) now intends to issue Supplemental Planning and Programming Guidance for FY 76-80 intelligence and intelligence-related activities. Target date for issuance is 12 March. Guidance will consist primarily of issue identification and assignment, with no call for development of alternate fiscal levels. MPRRG will work in concert with ASD(I) Staff to develop outline, identify issues and prepare discussion. Action Officer: MPRRG/ [REDACTED]
